body(s) visited IQAC or interacted with it to assess the functioning ?	
Date of Visit	07-Feb-2020
16. Whether institutional data submitted to AISHE:	Yes
Year of Submission	2020
Date of Submission	07-Feb-2020
17. Does the Institution have Management Information System ?	Yes
If yes, give a brief descripiton and a list of modules currently operational (maximum 500 words)	VVIT Campus Management System (CMS) is a web based ERP tool to deal with all your campus activities. Its name suggest is not only software tool but also a planning tool that will suggest you the best way to do the same task in a better way. The various modules are: Admissions, Master Data Setups, Students Data Management , Fee Management, Academics, Class Time Table Attendance, Feed Back, Examinations, Employee Management, Library Management, Training Placements, ID Cards, Hostel Management, Transport Management, Users management, Student, Faculty Login Key Features: Smart Brainy CMS Online Suite is server based college management software provides module wise accessibility for support multi user with different privilege to ensure high level of security. It is multi user and completely user friendly college management software. Generates different types of reports. Developed using optimized designing and coding to maintain proper speed. Proper and systematic training to different departments. Ultimately maintains efficient management. VVIT Examination Management System is a Complete Automation Software for Examination Activities. It has the following modules: 1. Pre Examination Process Course/Program Configuration with Branches and Semesters , Student Data Management , Regulation Creation Mapping, Subjects Configuration, Marks Grades Configuration , Exam Fee

Configuration, Exam Time Table Configuration, Online/Offline Student Fee Registration and Challan Generation, Exam Room Allotment Configuration, Exam Fee Reports like Collection reports, Fee dues, Subject wise registered students, Seating Plan Reports, HallTickets, OMR Codes and Student OMR Sheets Printing, Mid Marks Uploading Verification, Mid Marks Average Setup 2. Post Examination Process, Internal Marks Uploading Verification, Internal Evaluation Setup , Practical Marks Uploading Verification, Dform Generation, OMR Sheets Scanning , Coding Decoding, OMR Marks Uploading, External Marks Verification, Results Processing, Results Analysis, Moderation Setup, Moderation Analysis List, Grafting Setup, Grafting Analysis List Results Copies and Statistics, Subject Wise Passed Failed Lists ,T - Sheets Tabulation Reports With Marks Grades Grade Wise Analysis Toppers List Backlog Reports O verall Percentage Reports Cumulative Credits Reports ReEvaluation Configuration ReEvaluation Processing , ReEvaluation Analysis Reports , Bridge Course Setup Grace Marks Configuration, Marks Memo Grade Sheets , PC, CMM, Tabulation Register etc. , Results SMS , Results Auto Posting to WEB Portal 3. Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institute in general and departments in specific follow through and conform to the standard and constructive mechanisms advised by the high-level quality governing institutions like AICTE, UGC, NBA and NAAC. The R16 Regulation curriculum was designed and developed by JNTUK and institute ensures a perfect delivery of the objectives of those courses until outcomes are achieved by the students. The curriculum gaps were identified and appropriate measures were incorporated to bridge them. The delivery of content is planned in such a comprehensive manner which will include all apt teaching-learning methodologies to cater to the needs of millennial students. An acute analysis of course syllabus will be done by the concerned subject experts and a perfect delivery strategy for the individual courses drafted in course delivery plan. The frequent academic audit by the IQAC will be done for course delivery monitoring by the Professor concerned and apt advises were given if there are any deviations. The entire course outcomes achievement is also acquired online at the end semester and a detailed analysis is done to prop up a better delivery for next batches. Frequent Course Monitoring Committee, Department Academic Committee meetings were scheduled to reassess the course content deliverability at the grass root level A thorough comparative analysis of outcomes of practical courses is done and apt additional experiments beyond the syllabus were included in the curriculum. The academic calendar with necessary instructions, all norms and procedures of assessment are given to every student at the beginning of the semester. The institution provides question banks, ebooks, and previous question papers. Utmost importance is given to maintain transparency in the assessment of students' academic performance. Frequent Industrial visits to nearby industries are arranged to provide practical exposure to the students on the subjects in the curriculum. Students are sent to various industries for the internships/training.The institution organizes guest lectures by subject experts on various subjects to share their knowledge. Remedial classes, peer teaching and study hours are conducted for slow learners in every subject to bring them on par with the other students. T&P (Training & Placement Cell) of the institution provides necessary training in technical and general aspects for the employability of the students. Students are encouraged to participate in various intra and inter collegiate technical and cultural competitions.

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained

VVIT has a transparent and constructive feedback system maintained by IQAC. Twice in a semester feedback related to processes in institution were taken through a comprehensive unambiguous and impartial questionnaire, via online. The feedback taken thus is maintained confidentially under the Chairman IQAC, along with the members of the committee. The analysis of feedback data is done based on apt methods viz., SPSS (Statistical package for the social sciences) and Quadrant Analysis. The results thus analyzed were utilized to determine which aspects of the Institution's services were most important and the degree to which the students were satisfied. The issues mentioned in the feedback were classified, prioritized and put before the Head of Institution by the IQAC, for further actions. Head of Institution after consulting the Department heads in the high-level meeting along with the other apt committees will entitle the concerned departments to prepare an immediate Action Taken Reports (ATRs) on the issues raised in the feedback. A periodic monitoring of the suggestions or advices or discredits or reprimands done as a remedial action of Feedback analysis is done to record the improvements in processes. An in-house developed Feedback Management System Software effectively performs the on-line feedback taking process in smooth, swift and secure manner. VVIT as whole has a stringent model in maintaining the sanctity of its stakeholders' feedback taken in various forms, means and frequencies for the overall development of institution. Artefacts: 1. In-house developed Feedback Management System V2.0 2. Sample Feedback Form 3. Comprehensive Analysis Report 4. Action Taken Report 5. Monitoring Track Sheet

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Distribution and Weightage of Marks i) The performance of a student in each semester shall be evaluated subject wise with a maximum of 100 marks for theory subject and 75 marks for practical subject. The Mini project work shall be evaluated for 50 marks and the Major Project work shall be evaluated for 150 Marks. ii) For theory subjects the distribution shall be 40 marks for Internal Evaluation and 60 marks for the Semester End Examinations. iii) For theory subjects, during the semester there shall be two internal Mid Examinations. The weightage of internal marks for 40 consists of Descriptive Test - 15 Marks, Assignment Test- 10 Marks (Open book system with questions in accordance with BLOOMS taxonomy), and Objective Test -10 Marks and Subject Seminar 5 marks. ? The Descriptive Test is for 90 minutes duration conducted for 30 marks and will be scaled down to 15 Marks. Each Descriptive test question paper shall contain 3 questions, one question from each unit and all questions need to be answered. All the questions should be prepared in accordance with BLOOMS Taxonomy. ? The Assignment Test conducted for 20 Marks and will be scaled down to 10 Marks. The test is open book system and the duration of the exam is 60 minutes. The assignment question paper contains 3 questions given by the subject teacher concerned and all questions should be answered. Students can bring a maximum of three printed text books related to that subject. (Soft copies of the text books will not be allowed.) The assignments have to provide broadened exposure to the course. The questions shall include problem solving approach, problem analysis design, implementation, case studies etc. The objective examination is for 20 minutes duration. (Conducted with 20 multiple choice question with a weightage of ½ Mark each) For the subject seminar, marks of each student shall be evaluated based on the presentation on any topic of his/her choice in the subject duly approved by the faculty member concerned. Internal Marks shall be calculated with 70 weightage for better of the two Mid Exams and 30 weightage for other. iv) The Semester end examination shall be conducted for 3 hours duration. The question paper shall be given in the following pattern: The question paper contains one question from each unit with internal choice. Each question carries 12 marks. Each course shall consist of five units of syllabus. The questions shall be framed in line with the Course Outcomes defined and cognitive levels. v) For practical subjects there shall be continuous internal evaluation during the semester for 25 marks and 50 Marks for Semester end examination. The internal 25 marks shall be awarded as follows: day to day work - 05 marks, Record-05 marks and the remaining 15 marks are to be awarded by conducting an internal laboratory test of 3 hours duration.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

As the Institution is affiliated to Jawaharlal Nehru Technological University Kakinada(JNTUK), we strictly adhere to the University Academic Calendar

structure of SAC are: 1) CWC (Central Working Committee) 2) Executive Body 3)
General Body CWC (Central Working Committee) is the core organising body of
SAC. Central Working Committee plans, Executes governs the functionality of
SAC. All Student events were conducted under SAC for the fulfilment of student
active involvement on administrative and academic bodies.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

Each department seeks the opinion/suggestions of alumni on various developmental activities by sending emails to them and requesting them to fill the proforma supplied in this regard. Alumni meetings are held every year on the institution campus on 23rd December The institution has an unregistered Alumni Association. The alumni association was started in the year 2011. Its motive is to bring all the alumni on one platform so that they can share their experiences, extend their helping hand, and provide guidance to the budding engineers of the institution. All the passed out students of the institution are active members of the Alumni Association. The Alumni are spread around the globe and support the institution in various activities. Alumni meet is held at Institution every year. Alumni contribute to the development of the institution ? Alumni members residing in various parts of India and abroad share their experiences with staff and students. Alumni supports the placement activities of the students Our alumni has donated a photocopier machine to the library8821

5.4.4 - Meetings/activities organized by Alumni Association :

23rd Dec 2019- Alumni Meet

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

Institute has a decentralized mechanism for delegating authority and providing operational autonomy to all the functionaries to work towards decentralized governance. Principal Level: The Governing Body delegates all the academic and operational decisions based on policy to the Academic Monitoring Committee headed by the Principal in order to fulfill the vision and mission of the institute. Dean's level: Dean of Academics monitors all the academic activities through Academic Audit Committee which formulates common working procedures and entrusts the implementation with the departments and faculty members. Dean of Studies monitors overall class work, student projects through project groups and all the Research and Development (RD) activities through department RD coordinators. IT HoD is nominated as Coordinator for IQAC and monitors all the IQAC functions. Faculty Level: Faculty members are given representation in various committees/cells and allowed to conduct various programs to showcase their abilities. They are encouraged to develop leadership skills by being incharge of various academic, co-curricular, and extracurricular activities. They are given authority to conduct industrial tours and to have a tie up with industry experts and appoint as coordinator and convener for organizing

seminars/workshops/conferences/FDPs. For effective implementation and improvement of the institute following committees are formed. Other units of the institute like sports, library, store etc. have operational autonomy under the guidance of the various committees/cells. 1. Planning and Evaluation Committee, 2. Examination Committee, 3. Admissions Committee, 4. Staff Selection Committee, 5. Internal Complaints Committee, 6. Grievance Redressal Committee, 7. Discipline and Anti - Ragging Committee, 8. Women Empowerment Committee, 9. Academic Audit Committee, 10. Internal Quality Assurance Cell, 11. News Letter Committee, 12. Editors in-charge, 13. Student Welfare Committee, 14. NCC Committee, 15. Cultural Committee, 16. Sports Committee, 17. Student Clubs Committee, 18. RD Committee, 19. Entrepreneurship Development and IIDC Committee, 20. Staff Welfare Committee, 21. Time Table Committee, 22. Library Committee, 23. Hostel Committee, 24. Canteen Committee, 25. Training, Placement and Career Guidance Committee, 26. Students' attendance monitoring committee, 27. RTI Committee respectively. Student Level: Student members are added in many of the committees mentioned above and these members take active roles in the respective committees. Participative Management: The institute promotes a culture of participative management by involving the staff and students in various activities. VVIT has adopted participative management by establishing the student body Student Activity Council (SAC). SAC is a student body, exclusively made up of students from second year to final year. It is a body of students and work to ensure that each and every student gets the best possible college experience. Every year a new team consisting of a President, Secretary and about a dozen members to represent such areas as sports and other curricular and co curricular activities, is selected from the applicants who wish to serve. SAC selects a team of assisting volunteers and forms an Event Management Team (EMT). Every student is given equal opportunity to apply for the various positions. SAC acts as an interface between the student body and the management.

Yes					
.2 – Strategy Development and Deployment					
6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):					
Strategy Type	Details				
Admission of Students	 70 of the admissions are done by Convener, EAMCET, Andhra Pradesh through state government 2. Remaining 30 of the admissions are done by management based on the guidelines given by APSCHE(Andhra Pradesh State Council for Higher Education). 				
Industry Interaction / Collaboration	1. College has signed MOUs with various organizations for the benefit of students. 2. Regular Industrial Visits are conducted for students to enhance their technical skills. 3. Guest lectures are organized for students to fill the Industry-Institute gap by inviting various Industry Experts.				
Human Resource Management	1. Orientation classes were conducted for new faculty members. 2. Annual assessment of faculty is done through self appraisal forms. 3. Faculty are				

6.1.2 – Does the institution have a Management Information System (MIS)?

Library, ICT and Physical Infrastructure / Instrumentation	<pre>encouraged and sponsored to participate in FDP, workshops, Refresher courses organized by other Institutions, Universities. 4. Provident Fund is given to the faculty. 5. Annual Increments and yearly twice DA increments are given to faculty as per the norms of Institution. • VVIT's Staff Selection Committee and Faculty Welfare Committee are keenly looking after the Human Resource Management activities. • The activities include conducting special recruitment drives for scholarly and dedicated engineering educators. • Faculty welfare programs, FDPs and Workshops • Social Welfare programs, Devotional and Recreational activities such as Mangala-Deepam, Kartheeka Vanabhojanaalu, Krishna- Ashatami, Semi-Christmas, Darga-to- Durga National Integration Walk etc are organized by these Committees and patronized by the magnanimous management. • Free Transportation for staffs • Research Activity Incentives • Reimbursement of professional body membership fees for active participation, like incentives encourage the Staff to associate with the institute for longer retention. 1. Institutional membership with DELNET which connects all libraries of technical institutions approved by</pre>

Behavior: Students should learn to behave very professionally. They are not allowed to speak loudly on the campus and in the classrooms. They should communicate in polite English while on campus. Any untoward behaviour of the student will be treated very severely and action will be initiated on the recommendation of the Disciplinary Committee. Cell Phones: Use of cell phones, cam cells, ipods/i-pads, etc. is banned on the college campus. If any student is found to possess them, the banned item(s) would be confiscated and destroyed immediately and severe disciplinary action will be initiated against the student. Motor Cycles: Students should avoid coming to the college on twowheeler motor vehicles like motor bikes, scooters, etc. Severe action will be taken against violators. Ragging Teasing: All the students should sign a declaration that they would abide by the antiragging laws enforced by the Governments of India and Andhra Pradesh. The guilty will be punished basing on the recommendations of the Anti-Ragging Committee. Dress Code Students should come in uniform prescribed by the College on all days except Fridays. They should also come in uniform to all the examinations like MidTerm, Practical Internal External and SemesterEnd, Supplementary and Regular University examinations EVEN THOUGH THE DAY OF

		EXAMINATION IS A FRIDAY Uniform for Boys: Half Sleeved Shirt tucked into
		formal cut trousers, with black shoes. Low waist/hip and other
		trendy cut trousers are
		not permitted. Uniform for Girls: Halfsleeved
		kameez, comfortable salwar and dupatta. Girls can avoid wearing high-
		heels. Improper dress code leads to punishment.
		IDENTITY CARDS: Wearing ID tag is mandatory. Loss
		or damage to IDs should be immediately informed
		to the office. Friday Dress: Boys should come
		in semiformals with their shirts tucked-in and wear
		shoes. Students are not allowed to wear T-shirts,
		cargos, low waists, shorts and ultra-short length clothes.
Code of Conduct for Staff	03/06/2019	Orientation program is conducted to the newly recruited staff, Principal and Heads of the Departments guide them in discharging their obligations towards students, parents, colleagues and community,
		and making them aware of the ethical principles governing the teaching profession • Feedback from students and
		authorities is taken to monitor the behavior and performance of the staff.If any staff member is
		found with misconduct, disciplinary action will be taken against him/her.
Human Values	21/08/2019	About 500 Books were distributed to various branch students to get the information and the
		rules And regulations of the college and
		infrastructural facilities.

7 5 NTT Data 12 3 SOBHA DEVELOPERS 4 3 The Practice The Research and development inspires the faculty members to publish the research papers, attend national/ International conferences and to carry out consultancy work. Cash incentives are given to faculty members who successfully publish their research papers in National/ International journals. Evidence of Success: The number of Ph.D., degree holder in the institution has increased considerably. The results of above said practice increases the number of papers published by the faculty members. Many research project proposals are applied to various funding

agencies.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Distinctiveness The vision of the institute "To impart quality education through exploration and experimentation and generate socially-conscious engineers, embedding ethics and values, for the advancement in science and technology" is the thrust which every intern at all stages and operations reiterates and reflects. The institute always endeavours to carve the students as best citizens of nation, who are socially conscious and adept in proving ace solutions to the societal and economical challenging problems by breaking the technological bottlenecks. The rationale of any promising education is to ultimately benefit the society all respects and welfare of mankind. VVIT besides providing wealth of knowledge in core competencies to the students explores the life lessons that provide a true meaning and understanding of Technological education. Every student is engraved with incessant impulses to serve the nation and motivates them to set themselves as examples for the posterity. The institute has a tag line and service mantra as "Service to Society is Service to God" and always motivates the students to inculcate that throughout their live and remain as an example to the others. Not limiting to words and lines, VVIT has always been a step-ahead in donating the right stuff at the right time through several programmes initiated by the institute, state or central government without any prejudice. To reckon a few institutional activities distinctive to its vision in terms of its charities done, services offered to society are as below. ? Frequently donating to the Chief Minister Relief fund in association with students faculty for the welfare of the cohuman beings whose lives are ruined in various natural disasters like floods, cyclones and Tsunami etc such as happened in Kerala, Chhattisgarh and Visakhapatnam. ? Conducting several Skill Development Workshops under Siemens Centre of Excellence, for the students and industrial employees, faculty of various parts of the state. ? Conducting YOGA day for the students to assert a healthy mental composure to the students and faculty under the Yoga Club of VVIT ? Motivating the deserving students to get registered for NCC and giving them regimental training to pursue NCC- C, B certificates to make them eligible for service nation-wide in force at large. ? Involved and inspired by the JNTUK Swatch Bharath mission, motivated NSS, NCC and other students to undergo regionlevel service activities. o NCC has two Units for boys and girls to provide services to the society o Conducting various activities and preparing students to contribute to development of society such as Awareness programs on swachha Bharath, Yoga day, Blood donation camps to donate blood, Cleaning of streets, drains, statues, wall paintings and monuments, Cleaning of public parks, hospitals, bus stands and railway stations etc. ? Frequently organizing the

Blood donation Camps, Eye and other Health check-up camps for the welfare and wellbeing of students and faculty to stay fit and perform well. ? Organizing several community programs for inculcating the social awareness and broad outlook free from prejudice culture in the society among the students and faculty.
