HOD's Message

Dear Readers....!

As we stride through this semester, let's celebrate our triumphs together. Congratulations to our brilliant graduates on reaching this significant milestone. Your dedication and hard work have paid off, and we couldn't be prouder. Our recent placement drive has seen exceptional success, with numerous students securing coveted positions in esteemed companies, a testament to the quality of education and training provided by our department. Let's also extend our warmest regards to those bidding farewell. Your presence and contributions will be dearly missed, but we're excited to see the great heights you'll reach in your future endeavors. In the realm of sports, our champions have once again showcased their prowess, bringing home several victories and making us all proud.

So, my dear Readers, before I conclude from my desk, I wish all the students to perform their gamut in the approaching End-Semester Examinations.

VVIT's Thimmisetty Manjusree: A Gold Medal Recipient from JNTUK's 2018-22 Batch

Thimmisetty Manjusree, a dedicated student from the 2018-2022 batch at Vasireddy Venkatadri Institute of Technology, has recently achieved an outstanding milestone in her academic journey. She has received a prestigious gold medal from Jawaharlal Nehru Technological University, Kakinada (JNTUK), recognizing her remarkable academic accomplishments and unwavering commitment to excellence.

Manjusree's journey through Vasireddy Venkatadri Institute of Technology was marked by consistent excellence in her field of study, Computer Science and Engineering. Throughout her four years at the institution, she displayed a deep passion for her subject, consistently achieving top grades and actively participating in various research projects and extracurricular activities.

Her dedication to computer science extended beyond the classroom as she became an active member of coding clubs, hackathons, and open-source initiatives. Manjusree's professors and peers alike admired her inquisitive nature and her ability to lead and collaborate effectively.

Receiving the gold medal from JNTUK is a significant achievement for Manjusree and a testament to her relentless pursuit of knowledge and academic excellence during her time at Vasireddy Venkatadri Institute of Technology. As she steps into the world beyond academia, her alma mater and fellow students take pride in her accomplishments, knowing that she is destined for a bright future in the field of computer science and engineering.

Triumph and Talent Shine at Vignan Sravanthi's Cultural and Sports

In the world of sports and culture, Pathan Mansoor Ali claimed first place in shot put at Vignan Sravanthi's event. P. Vijaya Lakshmi emerged as the 100 meters champion at Udgosh 2k23's Premier National Symposium. J. Vamsi dominated the same event, securing first place in the 100 meters and second place in the 200 meters. Vamsi also clinched third place in the 100 meters at the National Level Sports Fest, Udgam 2k23. Additionally, a dedicated group captured third place in kabaddi at the JNTUK Central Zone tournament. Their achievements serve as inspirations for future athletes and teams.

In the end, these remarkable individuals and the dedicated group have not only etched their names in the annals of sporting and cultural excellence but have also set the bar high for aspiring athletes and teams. Their achievements stand as a testament to the power of passion, dedication, and teamwork. As they continue to chase their dreams and inspire others, one can't help but anticipate even greater victories and accomplishments on the horizon. The future of sports and culture looks bright, thanks to the indomitable spirit and unwavering commitment of these shining stars.

"VVIT's Glorious Graduation Day: Celebrating the Class of 2019–2023"

On the bright and auspicious morning of June 21, 2023, Vasireddy Venkatadri Institute of Technology (VVIT) came alive with anticipation and excitement as it played host to the Graduation Day ceremony for the Class of 2019-2023. This momentous event was a culmination of years of dedication, perseverance, and academic excellence. It was a day of pride, reflection, and inspiration for graduates, their families, and the entire VVIT community

The atmosphere on the VVIT campus was electric, as graduates donned their caps and gowns, symbolizing their transition from students to alumni. The ceremony featured a distinguished guest speaker who shared valuable insights and words of wisdom with the graduating class, motivating them to embrace the challenges and

opportunities that lie ahead. As the graduates received their well-deserved diplomas, the cheers and applause from family and friends echoed through the air, highlighting the immense support system that had been with them throughout their academic journey. This Graduation Day at VVIT not only marked the end of one chapter but also the beginning of countless new adventures and contributions to the world beyond the campus gates.

Breaking Boundaries: Ms. J Krishna Priya Secures a Remarkable 22 Lakhs per Annum Offer from BNY Mellon Technology

In a momentous achievement that reflects both her exceptional talent and the quality of education at her institution, Ms. J Krishna Priya, a student from the Department of Computer Science and Engineering (CSE), has received an astounding job offer of 22 Lakhs per Annum from BNY Mellon Technology. This accomplishment not only celebrates her dedication and hard work but also serves as an inspiration to aspiring technologists and future graduates. Ms. Krishna Priya's success story is a testament to her commitment to excellence and the limitless opportunities that await those who dare to dream big in the world of technology

Innovation on Display: CSE and ECE Teams Join Forces with IEEE to Organize a Spectacular IoT Project Expo

A promotional poster for an IoT Project Expo. The poster features a black and yellow color scheme. At the top, it says "IOT PROJECT EXPO" in large, bold letters. Below this, it reads "The secret of getting ahead is getting started. Let's unite together for this innovative experience." and "WIN CASH PRIZES". The registration information is "Register at : https://tinyurl.com/IOT_EXPO" and "(OR) SCAN THE QR CODE". The event details are "07-06-2023", "9:00 am to 3:00 pm", and "ECE Dept, VVIT.". A QR code is provided for registration. The poster also includes logos for VVIT and IEEE VVIT SB, and a "Register for Free" badge. A central graphic shows various IoT-related icons like a house, a car, a drone, a cloud, and a lightbulb, connected by arrows.

The convergence of Computer Science and Engineering (CSE), Electronics and Communication Engineering (ECE), and the Institute of Electrical and Electronics Engineers (IEEE) has sparked a blaze of innovation at our institution. This collaboration resulted in the remarkable IoT Project Expo, a platform that showcased the ingenious projects and inventions of budding engineers and tech enthusiasts. The event not only highlighted the cutting-edge technologies but also served as a testament to the power of teamwork and knowledge-sharing in pushing the boundaries of the Internet of Things (IoT) landscape.

Guiding the Way: Career Counseling Session by Mr. Kiran Chakravarthi, an Expert with 18 Years of Experience

In the ever-evolving landscape of career choices and opportunities, having a seasoned guide can make all the difference. NIT Jamshedpur is proud to host a Career Counseling Session by Mr. Kiran Chakravarthi, a distinguished professional with an impressive 18 years of experience in the career counseling industry. Throughout his illustrious career, Mr. Chakravarthi has collaborated with prestigious universities, including ICFAL, BHARATHIAR, AMITY, Australian Retail College, KLU, and GITAM. His wealth of knowledge and extensive network underscores his ability to provide valuable guidance to students navigating the complex world of career choices.

Mr. Chakravarthi also works closely with reputable companies across various domains, acting as a crucial bridge between students and recruiters. This unique session, specially tailored for aspiring fourth-year Computer Science and Engineering (CSE) students, promises to offer insights that will help them align their career aspirations with the demands of the job market. Join us at the CSE Seminar Hall (Room #402) from 11:30 AM to 12:30 PM on June 27, 2023, for an opportunity to benefit from Mr. Chakravarthi's expertise and embark on a path to a successful and fulfilling career.

Department Vision:

Providing quality education to enable the generation of socially conscious software engineers who can contribute to the advancement in the field of computer science and engineering.

Department Mission:

1. To equip the graduates with the knowledge and skills required to enable them to be industry ready.
2. To train socially responsible, disciplined engineers who work with good leadership skills and can contribute for nation building.
3. To make our graduates proficient in cutting edge technologies through student centric teaching-learning process and empower them to contribute significantly to the software industry
4. To shape the department into a Centre of academic and research excellence

Program Educational Objectives (PEO'S):

PEO-1:

To provide the graduates with solid foundation in Computer Science and Engineering along with the fundamentals of Mathematics and Sciences with a view to impart in them high quality technical skills like modeling, analyzing, designing, programming and implementation with global competence and helps the graduates for life-long learning.

PEO-2:

To prepare and motivate graduates with recent technological developments related to core subjects like Programming, Databases, Design of Compilers and Network Security aspects and future technologies so as to contribute effectively for Research & Development by participating in professional activities like publishing and seeking copy rights.

PEO-3:

To train graduates to choose a decent career option either in high degree of employability/Entrepreneur or, in higher education by empowering students with ethical administrative acumen, ability to handle critical situations and training to excel in competitive examinations

PEO-4:

To train the graduates to have basic interpersonal skills and sense of social responsibility that paves them a way to come good team members and leaders.
