

## Action Plan Format to be implemented through IIC at HEI

### Vision/Goal of I&E Policy & Action Plan:

The I&E policy set vision and set directional support to HEIs. It aims at adopting innovative and entrepreneurial strategies and approaches at all level of HEI to establish, streamline and strengthen the I&E ecosystem to generate quality innovations and entrepreneurs. The action plan is a roadmap to achieve I&E policy goal by setting objectives and activities to be undertaken in the specified timeline with defined targets and milestones. Both I&E policy and action plan adopts a monitoring and impact evaluation methodology which ensures all planned programs and activities progress as desired and accomplish the goal.

### Objective of I&E policy along with the action plan:

1. To establish institutional mechanisms, processes and guidelines to generate knowledge, intellectual properties and innovations from institute and commercialization of innovations through technology transfer, technology licensing and startupsetc.
2. To Develop a critical mass of motivated students & faculties with creative potential, and entrepreneurial orientation & skillset.
3. To build and strengthen the in-house mentor pool and human resource capacity to drive campus I&E activities; identifying, handholding and guiding potential/early stage entrepreneurs, student innovators at the Institute on regularbasis.
4. To build infrastructure support and facilities to promote innovation & startup and enabling environment of easy access to resources within an outside theinstitute.
5. To strengthen the intra and inter-institutional partnership and collaboration with ecosystem at different level and co-creation of new programinterventions.
