Vasireddy Vidya Sagar – Chairman

Patron:

Dr. Y. Mallikarjuna Reddy – Principal

Chief Editor:

Dr. A. Kalavathi - Professor & HOD

Editorial Team:

1. Dr. V. Ramachandran - Professor - IT
2. Mr. Y. V. Narayana – Asst. Prof – IT
3. Ms. B. Padma Sree – Asst. Prof - S&H

Dear Readers….! Greetings…..! Good Wishes...!

This quarter I'm obliged to all the students and parents for their continuous support in sending their wards, to the institute for off-line classes, believing on the salubrious maintenance of Institute without compromise, for the benefit of its students. The class work off-line gearing up and heading towards the Internal Assessment of so far explored concepts. To the delight of our teaching-learning, dissemination of objectives of courses is happening very well, compared to that of on-line mode, especially in mitigating the semantic and responsive gap. At the same time, our students especially got tuned to online component, for pitching up to a swift learning, making more space for advanced IT and all round development.

So my dear Readers, before I conclude from my desk, I wish all the students a "VERY VERY HAPPY, HEALTHY & PROSPOROUS NEW YEAR 2022". Years come and years go, batches come and batches go but remember IT'S'IT...! It's always the new beginning from every old end. I once again remind you all that department of IT is committed to serve all its stake-holders as assured in all the aspects including the quality of our News Letter –***"ITsIT".***

*****Think IT-Think VVIT*****

Virtusa Training and Certification to IT students

Keeping in view our motto ' Every one counts', VVIT has taken strides playing a pivotal role assuring all students should have an offer letter before the completion of their B. Tech. Training and Placement cell coordinates all activities related to placements acting as Facilitators and mentors. T&P gears up aspirants by contributing significantly giving them invaluable information and updates.

In this regard, the "Jatayu Ideathon – Season 2" hackathon is an exclusive competition conducted by Virtusa for third-year students, which gives them an opportunity to build an idea all the way from the envisioning stage to final product. The competition focuses on developing innovation for product servitization, digital wallet for connected things, intelligent edge, AI-based content moderation, and automation game testing in the manufacturing, healthcare, banking and financial services, insurance, telecommunications, media, and entertainment industries. This hackthon contains 3 stages of competition.

Briefing session by Mr. Rambhupal, Asst Prof, Department of IT &

Mr. Siva Sankar, Asst. Prof, Department of CSE

In Stage I -Idea presentation (how well you understood the idea), in stage II-POC mode (implement the part of the idea) and in stage III-Winner Industry Mentor.

In this, total of 7 Teams have participated from III B.Tech Information Technology. They are: Team1 They have submitted the use cases of Handyman app using Uber model, Employee Performance Portal, -W2 AI Privacy, Hotel CRS(Central Reservation System), Health1-You can Trust . Out of 7 teams 1 team has been promoted to stage -2 in competitions.

Team-1:

Team Name: Code Tech

Mentor: Dr Kalavathi

Domain: Block Chain

Team members:

1. B K Reddy - 19BQ1A1216
2. J Girish - 19BQ1A1254
3. J Viswanadh - 19BQ1A1258
4. K Mani Kanta - 19BQ1A1259
5. B Udayeswara - 20BQ5A1205

Team – 2

Team Name: Code-brigade

Mentor: Dr V Ramachandran

Domain: AI and ML

Team members:

1. A Supriya - 19BQ1A1202
2. A Hari Sri Veni - 19BQ1A1205
3. B Rajesh - 19BQ1A1220
4. D Tejaswi - 19BQ1A1231
5. J Harini - 19BQ1A1256

Team-3:

Name: Mater Brains

Mentor: Ms. B Lakshmi Praveena

Domain: ML

Team members:

1. M Anil Kumar - 19BQ1A12A2
2. N V Gopichand - 19BQ1A12B2
3. Ch Gopi Babu - 20BQ5A1207

Team-4:

Team Name: Inheadway

Mentor: Dr. B. Sai Jyothi

Domain: Block Chain

Team members:

1. Kaza Satwika - 19BQ1A1272
2. Keerthana Reddy T- 19BQ1A1273
3. M Bindu Sri - 19BQ1A1296

Team – 5

Name: Impacteers

Mentor: Mr. P. Naga Babu

Domain: Using server less CC

Team members:

1. A V Vyshnavi - 19BQ1A1204
2. L Alekya - 19BQ1A1294
3. L Nikhila - 19BQ1A1295

Student Placements

"Everyone counts" is the mantra of VVIT for Training & Placements Cell. The students of IT in their 7/8 semester of study itself got offer letters from reputed companies. It shows the commitment of the Institute, dedication of Department and potential of IT students. The placed students, includes advanced learners, average earners and even diffident learners.

The packages and roles that these students offered by the MNC's companies, prove that they have achieved the graduate attributes. The lesson plans of individual courses through projects, laboratory viva voce examinations through company technical experts interview are meticulously planned with a missionary zeal by the system as a whole in VVIT in general and Department of IT in specific for the holistic improvement and benefit of its stakeholders.

Department Vision:

To produce IT professionals who can develop globally competitive and socially useful information technology enabled solutions and products that offer cost effective solutions, for organizations, in particular and society in general, through their innovative ideas, and to create a knowledge pool through research in this field.

Department Mission:

1. Producing information technology professionals for the Global IT industry.
2. Developing student centric and qualitative teaching-learning practices.
3. Establishing infrastructure that endows cutting edge technology requirements of the industry.
4. To extend service to the public, the state and the nation at large by building quality engineers.
5. To carve disciplined and socially, technologically better responsible citizens.
6. To make the students pursuing information technology the technological ambassadors of VVIT in whatever part of the world they find themselves in their future careers.

Program Educational Objectives (PEO'S):

PEO-1: Solid Foundation and Core Competence

To provide the graduates with concrete base in Information Technology, to pursue higher studies and to succeed in industry / technical profession with global competence by imparting acute technical skills like designing, modelling, analyzing and problem-solving on top of solid foundation in mathematical, scientific, computing and engineering fundamentals.

PEO-2: Employability & Research Spur

To train the graduates for a higher degree of employability in both public and private sector industries at national and international level by imparting ability to Re-learn and innovate in ever-changing global economic and technological environments and to contribute effectively in research and development.

PEO-3: Professional Skills and Societal Contribution

To inculcate the graduates to have basic interpersonal skills, effective communication skills to teamwork/ lead in multidisciplinary approach, under diverse professional environments by handling critical situations through lifelong learning with an ethical attitude(administrative acumen) and an ability to relate engineering issues to broader social context.

PEO-4: Real World Competency & Innovation

To enable students with good scientific and engineering breadth and technology skills so as to comprehend, analyze, design, and create novel products and solutions for the real life problems to emerge as researchers, experts, educators & entrepreneurs.
