Suggestions

Dr. K. Murali krishna, DAP, JNTUK University nominee, informed that VVIT has the highest student intake among the JNTUK affiliated colleges. He suggested that all the students and faculty of the institution should register with the APSICHE LMS e-pragati portal as early as possible.

Dr. A. Gopala Krishna, JNTUK University nominee suggested that Question Papers for semester-end examinations be set by subject experts from State and National Universities.

Dr. B. Bala krishna, JNTUK nominee suggested that exact number of credits required by a student for promotion from the II year to the III year of B. Tech program should be specified in the Regulations as the 40% requirement might sometimes leads to fractional values in credits and hence requires rounding off to the nearest value officially.

Responses

The principal informed the Academic Council that a total of 3600 students and staff have registered so far with the APSICHE LMS e-pragati portal and others will be encouraged to register at the earliest opportunity.

Welcoming the suggestions given by the learned university nominees, he assured them that efforts would be made to get the semester-end external examination question

papers to be set subject by experts from State and National Universities to the extent possible. He also informed that the details of the minimum credits required for a student to be promoted from II year to III year and from III year to IV year B.Tech programme will be intimate to the students.

The meeting ended with a formal Vote of Thanks by the Director, Dr. Y.V.S.S.S.V Prasada Rao with an assurance to implement the suggestions made by the Academic Council.
